What is wanted is not the will to believe, but the wish to find out, which is the exact opposite. -Bertrand Russell

An ideologue may be defined as a mad intellectual. He is not interested in ideas, but almost the exact contrary - in one idea. - Clifton Fadiman

Aaron

Jim just sent me a note that he used Basin Electric's cost of anhydrous ammonia, which was \$785/ton, but he recently got an estimate of \$625 from Potash Corp. for Wyoming. So, Jim will make a few changes to include the lower cost estimate. We should get the revised documents to you tomorrow.

Doug
